FIJI

THAILAND

RUSSIA

HAWAII

The Indigenous Women's Biodiversity Network (IWBN) was formed in 1998. The objective of the IWBN is to bring the issues of indigenous women to the forefront of international discussions while emphasizing the vital role they play in biodiversity conservation. The network facilitates a community of practice relating to the themes of Indigenous Women, Traditional Knowledge, Policy, and Biodiversity Conservation.

Join us on the evening of the next Hilo moon,

FRIDAY, September 2, 2016

University of Hawaii at Manoa, Kamakakuokalani

Center for Hawaiian Studies, Halau o Haumea

2645 Dole Street

530pm Food/Drinks/Music 645pm Presentation 8pm Closing
